

GLOBAL SOURCING & TRADE

Connecting Sustainable Supply Chains Worldwide

Grad Ventura is a trusted sourcing and trade partner for recycled and repurposed materials — including mixed rags, used clothing, and non-ferrous metals. We collaborate with charities, thrift organizations, recyclers, and bulk suppliers across Europe, Asia, and the Americas to deliver high-quality, verified products to clients in the Middle East, Africa, South America, and beyond.

Our global sourcing division ensures:

- Quality-verified, compliant, and traceable materials
- Full logistics management (inspection, documentation, and shipping)
- Long-term, ethical, and sustainable trade partnerships
